Everybody's always talking at me  
Everybody's tryin' to get in my head  
I wanna listen to my own heart talking  
I need to count on myself instead

(Did you ever?) Lose yourself to get what you want  
(Did you ever?) Get on a ride and wanna get off  
(Did you ever?) Push away the ones you should have  
held close  
Did you ever let go? Did you ever not know?

I'm not gonna stop  
That's who I am  
I'll give it all I got  
That is my plan  
Will learn from what I lost  
You know you can  
Bet on it, bet on it, bet on it, bet on it  
I'm gonna make it right  
That is the way  
To turn my life around  
Today is the day  
Am I the type of guy who means what I say?  
Bet on it, Bet on it, bet on it, bet on it

How will I know if there is a path worth taking?  
Should I question every move I make?  
Thought I've lost my heart, it's breaking  
I don't wanna make the same mistake

(Did you ever?) Doubt your dream will ever come true  
(Did you ever?) Blame the world but never blame you  
(I will never) Try to live a lie again  
I don't wanna win this game, if I can't play it my way

I'm not gonna stop  
That's who I am  
I'll give it all I got  
That is my plan  
Will learn from what I lost  
You know you can

Bet on it, bet on it, bet on it, bet on it  
I'm gonna make it right  
That is the way  
To turn my life around  
Today is the day  
Am I the type of guy who means what I say?  
Bet on it, bet on it, bet on it, bet on it

It's no good at all  
To see yourself  
And not recognize your face  
Out on my own  
It's such a scary place, oooh!  
The answers are all inside of me  
All I gotta do is believe

I'm not gonna stop, not gonna stop 'til I get my shot  
That's who I am, that is my plan  
Will I end up on top?  
You can, bet on it, bet on it, bet on it, bet all you can  
Bet on it, bet on it, bet on it, bet on me

I'm gonna make it right  
That is the way  
To turn my life around  
Today is the day  
Am I the type of guy who means what I say?  
Bet on it, bet on it, bet on it, bet on it  
(You can bet one me! )
