We were driving to Birmingham, Alabama and my  
buddy Keith was driving the truck  
And this lady about ran us off the road in a cadillac.  
She just kinda smiled when she went by, and he has  
road rage and he said look at that Big Fat Bitch

So I grabbed my little travel guitar out of the back and  
went

Big fat bitch  
she's a big ol big ol fat bitch  
she goes to Ryan's and they say, "Shit!  
this one's gonna cost us...  
she's a big ol bitch!"  
She's a big ol bitch

She sweats grits  
you can hide a pound of dope  
under one of her tits

Big fat bitch  
She's a big ol bitch

Who stole Christmas?  
The Grinch  
Who stole the Twinkies?  
big fat bitch!

She's a big ol bitch

Yeah she had this cajun friend

who had a pet alligator  
She ate that some-bitch  
like it was a green Now N Later  
or a fried green da-mator  
You'd have to have a turbo-foaming car wash brush  
to masterbate her

She's a big ol bitch  
She's a big ol bitch

When she was eight years old she had a Pogo stick that  
would say, "hey Wanda!"  
And they'd go "song-tong-thong-song-tong-thong"  
And now her pogo stick says, "HOLY FUCKING SHIT!"  
And they go "Bount. Bount."

She's a big ol bitch  
She's a big ol bitch

She gargles and drools and spits  
and she makes all kinds of noise  
She chases the ice cream man down Cunningham  
in her corduroys

She's a big ol bitch  
She's a big ol big fat bitch!!!!
