put this in your pipe and smoke it

when they call your name would you walk right up with
a smile on your face
would you cower in fear in your favorite sweater with an
old love letter

I wish you would
I wish you would
come pick me up, take me out ,fuck me up, steal my
records ,screw all my friends ,they are all full of shit
with a smile on your face and then you do it again
I wish you would

we're by the lake make no mistake we'll be together
again
and it's a hard thing to do but it's not the end

I wish you would
I wish you would
come pick me up take me out fuck me up steal all my
records screw all my friends behind my back with a
smile on your face and then you do it again
I wish you would

come pick me up take me out fuck me up steal my
records screw all my friends they are all full of shit with
a smile on your face then you do it again
I wish you would
I wish you would
I wish you would
