Iâ€™m on this train and I canâ€™t slow down and,
Breaks of dawn and Iâ€™m running out,
Of reasons to even stop me now,
And it seems to me that no matter where I turn I fall off
these tracks,
And I get burnt,
But someday Iâ€™m gonna finally make it home.

CHORUS:

But these wheels keep taking me the long way,
And I just donâ€™t know when theyâ€™ll finally stop,
But I know if they keep taking me the long way,
The wrong way,
Iâ€™m falling off, ainâ€™t ever getting up.

Itâ€™s different through anotherâ€™s eyes,
See the pain, she feels inside,
But her pretty smile, itâ€™s gonna fool you every time,
Got my foot on the gas full steam ahead,
And I canâ€™t forget what my daddy said,
Happiness is found inside your heart.

CHORUS (X2)

Got my foot on the gas full steam ahead,
And I canâ€™t forget what my daddy said,
Happiness is found inside your heart,
And someday, I hope youâ€™ll find it in your home.
