I been burning Bright
For so long I can't remember
Pretty girls and late night bars seem to be my line of
work
Believe me when I say, I can't stay this high forever
This man's had all he can stand, time to lay this
body down

Sweet Annie
Can I stay with you a while
Cause this roads been putting miles on my heart,
Sweetheart I've been livin in a fantasy
But one day Lightning will strike
And my bark will lose it's bite
Don't give up on me
Sweet Annie.

Sweet Annie
I know I promised you a life
But an empty bed and the words I said don't carry
any weight
If I could take back yesterday, Find a way to start it over
Turn around, put that bottle down and pray it's not
too late

Sweet Annie
Can I stay with you a while
Cause this roads been putting miles on my heart,
Sweetheart I've been livin in a fantasy
But one day Lightning will strike
And my bark will lose it's bite
Don't give up on me
What will be will be

Sweet Annie.

Turn out the light
These hands alone to hold you
Fall all over you
All over again
Come a little closer so I can show you
My heart still beats fast for you

All over, and over again

Sweet Annie

Can I stay with you a while

Cause this roads been putting miles on my heart,

Sweetheart Iâ€™ve been livin in a fantasy

But one day Lightning will strike

And my bark will lose itâ€™s bite

Donâ€™t give up on me

Sweet Annie.
