30 thousand feet above
The city where I fell in love with you
And the fadin concrete skyline
Brings an urban lullaby
That still rings true
When I passed you on the street that day
Should've let that red scarf fly away
Like any chance I had of keeping you
Like the Northern wind a blowin'™
Yeah my lonely heart is frozen
Never knew I'd find a way to break yours too
[Chorus]
Where the wind blows babe
You can bet
I'll be riding high with it
Holding on for my dear life
Just like I always did
Close your eyes babe
Take a breath, say my name
And I'll be there
My love will find you anywhere
Anywhere my love
The city lights look like a country sky
Like staring at the stars turned upside down
I wish I may, I wish I might
Find it in your heart to stick around
I hate it had to end this way
Tomorrow is a brand new day
And the chances here at love are precious few
Someone's out there waiting
For a sweet good timing lady
To make you smile like I always wanted to
[Chorus]
Where the wind blows babe
You can bet
I'll be riding high with it
Holding on for my dear life
Just like I always did
Close your eyes babe
Take a breath, say my name
And I'll be there
My love will find you anywhere

Anywhere my love
So I fly all night
Our memory's, my lullaby that love won't lie
If it's love done right
You'll be waiting on the other side
Arms open wide, if love don't lie
Lie
We can fly
[Chorus]
Where the wind blows babe
You can bet
I'll be riding high with it
Holding on for my dear life
Just like I always did
Close your eyes babe
Take a breath, say my name
And I'll be there
My love will find you anywhere
Anywhere
My love will find you anywhere
Anywhere
My love will find you anywhere
Anywhere my love
