Zac Efron:

& now with the following collection of the swizzy sounds (woo)

Br3ndan:

Now that you got it, what you gonna do about it?  
Now that you got it, what you gonna do about it?  
Now that you got it, what you gonna do about it?  
What you gonna do about it? What you gonna do about it?

Now that you got it, what you gonna do about it?  
Now that you got it, what you gonna do about it?  
Now that you got it, what you gonna do about it?  
What you gonna do about it? What you gonna do about it?

Now that I'm your baby the things you promised me  
now I want  
Now that you got it, what you gonna do about it?  
What you gonna do about it? What you gonna do about it?

All the stars I was reachin' for you had in the palm of  
your hand  
& if for just once I would let the  
padlock on the door be open  
Well, dang it, just get on over here  
This better be the best thing I ever felt  
My days, they better be sunny  
It better be nothing but all that I want

Now that I'm your baby, the things you promised me  
now I want  
Now that you got it, what you gonna do about it?  
Now that you got it, what you gonna do about it?  
If I'm really your baby then share with me your secrets  
& all  
Now that you got it, what you gonna do about it?  
What you gonna do about it? What you gonna do about it?

Joe Jonas:

I'm the raddest queen of them all  
I could have anyone, so what I want?

Perfect, get it right, never wrong  
so you gonna step it up? Or you gonna be gone  
Not like the rest (not this), nothing is

typical (ain't nothing is typical)  
This is not a test (no test), this is a for  
sure (it's all gotta be for sure)

Taylor Lautner:

Now that I'm your baby, the things you promised me  
now I want  
Now that you got it, what you gonna do about it?  
Now that you got it, what you gonna do about it?  
If I'm really your baby then share with me your secrets  
& all  
Now that you got it, what you gonna do about it?  
What you gonna do about it? What you gonna do about  
it?

Zac Efron:

Well, I'd train him like a marine corps  
Boot, camp, make him like a superhero (yes ma'am)  
That always better be his response  
Or I don't give a dog a bone  
Attention! Show me your skeletons, let's not play  
games  
We can be closer than sharing last names (gimme my  
award)  
The award is a purple heart, it could be yours  
If you earn that medal, yeah you could be my boy

Uh uh uh uh uh uh uh uh uh uh uh uh  
Uh uh uh uh uh uh uh uh uh uh uh uh

Br3ndan, Zak Efron, Taylor Lautner & Joe Jonas
