Zac
Hey Baby
I gotta talk to you
Let's go outside
Let me take you for a walk

Vanessa
Whatever you gotta say I don't wanna hear
You sad it's over now I don't care
I can't deal with this
I thought you loved me (I Do)
Then why the hell are you trying to make a pact with me

Zac
Cuz you see stuff just comes out my mouth and baby I
can't wait until the sun goes down
Cuz I wanna hold you tight

Vanessa
I don't trust you anymore

Zac
Come on baby I already apologized

Vanessa
How much can you ask for
I'm so sick and tired of your lies

Zac
I'm telling you the truth
Don't make me sad
I'm never gonna speak again
I really want you bad

Vanessa
Baby you made me sad this second time

Zac
Now I'm about to lose my mind

Vanessa
You should've thought about that before when you was

out with that girl

Zac

It was only a friend date
You know you're in my world

Vanessa

I can't do this

Zac

Baby please

Vanessa

I can't do this

No

No

No

No

I can't do this

Zac

Baby don't make me sad

Vanessa

Go away

Zac

But I really need you bad
