Hmm yea  
Hey yea

Can you imagine what would happen  
If we could have any dream  
I wish this moment was ours to  
Own it and that it would  
Never leave

Then I would thank that star  
That made our wish come true  
(Come true) oh yea cuz he  
Knows that where you are  
Is where I should be too

Chorus:  
RIGHT HERE RIGHT NOW  
I'm looking at you and my  
Heart loves the view cuz  
You mean everything

RIGHT HERE  
I promise you somehow  
That tomorrow can wait  
For some other day to be  
(To be) but right now  
There's you and me

If this was forever what  
Could be better we already  
Proved it was but in 2123  
Hours abandon the universe  
Gonna make you everything  
In our whole world change  
(It's our changing)

And you know that where we  
Are will never be the same  
Oh no oh no

Chorus:  
RIGHT HERE RIGHT NOW

I'm looking at you and my  
Heart loves the view cuz  
You mean everything

RIGHT HERE

I'll promise you somehow  
That tomorrow can wait  
For some other day to be  
(To be) but right now  
There's you and me

Oh we know it's coming (coming)  
And it's coming fast  
(As long as there's you  
And me oh yea) so lets  
Make this second last  
Make it last

Chorus:

Right Here ohh right now  
Yea I'm looking at you  
And my heart loves the view  
Cuz you mean everything

RIGHT HERE

I promise you somehow  
That tomorrow can wait  
For some other day to be  
(To be) but right now  
There's you and me

RIGHT HERE

I promise you somehow  
Tomorrow can wait for  
Some other day to be  
(To be) but right now  
There's you and me  
(You and me) ohh  
You and me but right  
Now there's you and  
Meee  
Sincerely jnk
