[-Troy]

Living in my own world  
Didn't understand  
That anything can happen  
When you take a chance  
I never believed in  
What I couldn't see  
[ Gabriella]

I never opened my heart yeah!!  
To all the possibilities  
I know that something has changed  
Never felt this way  
And right here tonight

[both]

This could be the start  
Of something new  
It feels so right  
To be here with you  
And now looking in your eyes  
I feel in my heart  
The start of something new

Now who'd of ever thought that[troy  
We'd both be here tonight[Gabriella]  
And the world looks so much brighter  
With you by my side  
I know that something has changed[both]  
Never felt this way  
I know it for real

[both]

This could be the start  
Of something new  
It feels so right  
To be here with you  
And now looking in your eyes  
I feel in my heart  
The start of something new

[troy]  
I never knew that it could happen  
Till it happened to me  
I didn't know it before [Gabiella]  
But now it's easy to see

[both]  
It's a start  
Of something new  
It feels so right  
To be here with you  
And now looking in your eyes  
I feel in my heart

[both]  
That it's the start  
Of something new  
It feels so right  
To be here with you  
And now looking in your eyes  
I feel in my heart  
The start of something new  
Start of something new
