It's hard to believe
That I couldn't see
That you were always
There beside me

Thought I was alone
With no one to hold
But you were always
There beside me

This feelings
Like no other
I want you to know
That I've never had
Someone that knows me
Like you do

The way you do
I've never had someone
As good for me as you
No one like you
So lonely before
I finally found
What i've been
Looking for
Ooohhhh
