I gotta say what it's on my mind  
Something about us doesn't seem right  
This days  
Life keeps getting in the way  
Whenever we try some have a plan  
It's always rehearse  
It's so hard to say  
But i got to do what's best for me  
You will be O.k

I've got to move on and be who I am  
I just don't belong here, I hope you understand  
We may find a place in this world some day  
But at least for now  
I gotta go my own way

Don't want to leave it all behind  
But I get my hopes out  
And I watch them fall and every time  
I know it coming to so great  
And just so hard to built it on  
Slowly fade away  
I'm leaving today  
'cause I gotta do what's best for me  
You will be O.k

I've got to move on and be who I am  
I just don't belong here, I hope you understand  
We may find a place in this world some day  
But at least for now  
I gotta go my own way

(Troy): What about us??

What about everything we been through??

(Gabiella): What about trust??

(Troy): You know I never wanted to hurt you??

(Gabriella): What about me??

(Troy): What am I suppose to do??

(Gabriella): I gotta leave but I'll miss you

So..... I've got to move on and be who I am

(Troy: Whay did you have to go??)

I just don't belong here, I hope you understand

(Troy: Trying to understand)

We may finde a place in this world some day

But at least for now

(Troy: I want you to stay)

I gotta go my own way

I've got to move on and be who I am

(Troy: What about us??)

I just don't belong here, I hope you understand

(Troy: Trying to understand)

We may finde a place in this world some day

But at least for now

I gotta go my own way

I gotta go my own way

I gotta go my own way
