You wish you could bend, but then you'd just break  
You reach for your keys, now you're driving away.  
You can't hear your thoughts for the sound of the rain,  
And you hope that you'll never get back here again.

And we become who we are when we fall apart,  
So don't you want to...  
Start a new day, let yourself go,  
'Cause your head seems to know this is right,  
But your heart isn't sure.

And crash like a wave,  
'Cause a wave needs to crash.  
Don't be afraid, just get on the train,  
Take your ride off the tracks,  
And never look back.

And now you can say what you needed to say,  
And that's just a risk you're willing to take.  
Your friends they're all jaded and cynical,  
But you'll find the answers; I think that you already  
know.

And we become who we are when we fall in love,  
So don't you want to...  
Start a new day, let yourself go,  
'Cause your head seems to know this is right,  
But your heart isn't sure.

And crash like a wave,  
'Cause a wave needs to crash.  
Don't be afraid, just get on the train,  
Take your ride off the tracks,  
And never look back, never look back,  
And never look back, and never look back.

And we become who we are when we fall in love,  
So don't you want to, don't you want to...  
Start a new day, let yourself go,  
'Cause your head seems to know this is right,  
But your heart isn't sure.

And crash like a wave,  
'Cause a wave needs to crash.  
Don't be afraid, just get on the train,  
Take your ride off the tracks.  
And never look back,  
Never look back.
