Anytime I need 2 see your I just close my eyes  
And I am taken 2 a place where ya  
Crystal mind and magenta feeling's takin' shelter  
In the base of my spine  
Sweet like a chica cherry cola  
I don't even try 2 explain I just hold on tight  
And if it happens again-i will move so slightly  
To my arms and my lips and my veins  
Like a human cannonball  
I need 2 I want 2

Chorus

Oooh I want u  
I don't know if I need u but  
Ooooh I'd die 2 find out x2

So baby help me find out
