Zach:

The other day somebody called me a cr*cker
I don't think that was right
Sometimes I think that people just do that
To start up a fight

Pre-chorus:

The people who do that are gonna
Get punched out someday
Oh yeah

Chorus:

It don't matter
If your black, white or yellow
I would still say hello
'Cuz in our hearts we're all the same
No matter your religion
Your hearing or vision
And the way you sittin'
In our hearts we're all the same

Ann Marie:

The other day somebody called me a n****
And I got so mad
'Cuz you can see that people who are like that
Ain't ever bein' glad

PRE-CHORUS

CHORUS

Bridge:

It don't matter if yo male or female
Don't matter if yo black or white
It's not the difference between things like that
It's the difference between wrong and write

CHORUS (x3)
