Just take a look at the weather, it keep rainin' all  
The time  
Just take a look at the weather, it keep rainin' all  
The time  
You know it be rainin' this minute and the next minute,  
You look up and you'll see sunshine

Tell me why there's rain, why it storm in California  
All the time  
Tell me why do it rain, why it storm in California all  
The time  
I don't want the rain but you still have plenty  
Sunshine

You know it keeps on rainin', you know this poor man  
Can't make no time  
You know if it keeps on rainin', you know this poor man  
Can't make no time  
You know if I can't go to my job, how I'm gonna feed  
This family of mine?

You know the poor children are runnin' "I'm hungry",  
When I don't have a lousy dime  
Poor children runnin', cryin' "Daddy I'm hungry" and I  
Don't have a lousy dime

That's the reason I was singin' when it started rainin'  
In California, why do it keep rainin' all the time?

You know it was dark and cloudy, raindrops settled on  
My window pane  
You know it was dark it was cloudy, the raindrops  
Settled on my window pane  
You know my children didn't have nothin' to eat, now  
Peoples ain't that a cryin' shame

My poor wife walkin', tellin' the children this is a  
Cryin' shame  
My poor wife walkin', tellin' the children this is a  
Cryin' shame  
Yeah we all goin' down starvation I do believe but your

Daddy ain't to blame

That's all right, that's all right, you don't have to

Worry no more

That's all right, that's all right, children you don't

Have to worry no more

You know the sun is shinin' now, cool breeze from the

Sweet wind how it blow
