You know I once was a gambler, boy, but I lost my  
money  
Soon  
Yes, I once was a gambler, boy, but I lost my money  
soon  
Yes, I lost all of my money some other, some other  
Gambler can have my room

You know I lost all my money, in a no good gambling  
game  
Yes, I lost all my money, boys, in a no good gambling  
Game  
I was on my bad luck, kept gambling just the same

When you lose that old no good money, you sit around  
with  
Your head hung down  
When you lose that old no good money, you sit around  
with  
Your head hung down  
Yeah, wake up next morning happy, I'm the best  
gambler in  
This town
