The way you make me feel inside
Makes me want to stay alive
The way it feels when you are close
Makes me feel I'm not alone

I cannot comprehend the thought
Of ever letting go of you
And if we had to be apart
I'd hold my breath because

I won't stop holding on
I won't stop holding on
I won't stop holding on to you
Holding on

The way it makes me feel inside
To know you have nothing to hide
The way it feels when you decide
That you are here until I die

I cannot comprehend the thought
Of ever letting go of you
And if we had to be apart
I'd hold my breath because

I won't stop holding on
I won't stop holding on
I won't stop holding on to you
Holding on
