It's too early, in the evenin', for me to be feeling this way,  
Judy, took my hand ... and I did not ...  
She said over the hill, and straight ahead, doves sailing in my head,  
Then I sent away, which I still regret to this very day.

It's so hard, to find a good woman these days,  
However, I know there's one lying in her grave.  
I try to undo, all I don't know,  
By doin' drugs and writing this song.  
It ain't easy, losin' your love,  
Especially when you got no one to go to.

So goodbye sunlight, hello twilight.  
I'm feelin' alright, just a little stage fright.

Gotta' go, fly away.  
Gotta' go now, gotta leave today.

Oh shit, I'm just trying to be Jimi here,  
But I'm fallin' short
