I tell you that I like it just as much as I used to,
But it seems like lately Iâ€™ve been staying confused,
I fell like Iâ€™m surrounded and I donâ€™t know what to
do.

Just to many women, too many women in the room.

Too much, not enough.

Too much party, Iâ€™m not getting enough sleep.
Too much pressure, Iâ€™m not getting enough relief.
Iâ€™m drowning in a sea of love thatâ€™s getting to deep.
Too much honey and not enough bee.

Too much, not enough.

Bridge:

I call my family doctor and I said Iâ€™m feeling ill,
Come on over, doctor, and wonâ€™t you bring me some
pills.

But when he made out my prescription, this is what he
said:

â€œYouâ€™ll never get no better with all these women in
your bed.â€
