Sock, ooh, I'm so ready
Sock, come on, yeah
Baby, sock, baby, sock it

Honey in the beehive, honeybunch
Every time you kiss me, hits me like a punch
Ready, ready, ready, ready, ready, ready or not
Baby, I want, yes, I do, what you got

Sock it to me baby, baby
Sock it to me baby, baby
Sock it to me, sock it to me
Sock it to me, baby, sock it

Boogaloo, my baby, across the floor
Every time you shake it, girl, I like it more
Give me, give me, give me, give me, give me
Somethin' sweet, knock me, ooh, off my feet

Sock it to me baby, baby
Sock it to me baby, baby
Gotta sock it to me, baby
Sock it to me, baby
Sock it to me, baby, sock it

Sock, baby, sock it

Honey in the beehive, honeybunch
Every time you kiss me, hits me like a punch
Ready, ready, ready, ready, ready, ready or not
Baby, I want, yes, I do, what you got

Sock it to me baby, my baby
Sock it to me baby, my baby

You've gotta sock it to me, baby
Sock it to me, baby
Sock it to me, baby, sock it
