"Final Solution"

Hell's rolling with you
Riding on your back
Harvest of terror
We all shall fade to black
Fields of depression
The wounds that never mend
The final Solution
Bring it to an end
To an end, To an end
Inside this world of pain
Your beliefs of suicide
Denial and repression
Psychopathic pride
Iron determination
A will that cannot bend
A final solution
Bring it to an end
To an end, To an end
Suffering and sorrow
The casualties of war
A spirit that is broken, Broke forevermore
Pure assignation
The machine it rolls again
Final solution
Bring it to an end
To an end, To an end
