Feeling sorry for myself again  
If I can just stay strong for another day,  
Then I'll be okay with  
What you have to say to me  
Wait till tomorrow

Go easy on me  
Find a little sympathy  
If this is how it has to be  
Go easy on me

I know I'm not the only one who feels the pain  
But it drains me  
I've got no patent on the hard times  
It's a shame I feel compelled to complain

Go easy on me  
Find a little sympathy  
If this is how it has to be  
Go easy on me

Is it a crime to take a break from all the craziness?  
Some tenderness might be what I need today  
If I can ask you for forgiveness would you understand  
Or would you walk away?

Go easy on me  
Find a little sympathy  
If this is how it has to be

Go easy on me  
Find a little sympathy  
If this is how it has to be  
Go easy on me  
Go easy on me  
Go easy on me  
Go easy on me
