You are the perfect girl, perfect for someone  
Somebody other than me  
You have the perfect smile, like a shark in the ocean  
Looking for more things to eat

But after all you've done remarkably well  
By putting all your friends through hell  
At least they'll have some stories to tell  
All about you, perfect girl

You are the perfect girl, your worth can't be measured  
It's more than I'm willing to pay  
Turn over all the stones, take advantage of everything  
Then wish it all away

But after all you've done remarkably well  
By putting all your friends through hell  
At least they'll have some stories to tell  
All about you, perfect girl

You stepped on people and you twisted your heel  
Abandoned all you loved to strike another deal  
And if there's one thing I wish would come true  
I hope you meet someone as perfect as you

But after all you've done remarkably well  
By putting all your friends through hell  
At least they'll have some stories to tell  
All about you, perfect girl

You are the perfect girl, the perfect girl  
You are the perfect girl, the perfect girl  
You are the perfect girl, the perfect girl
