I never asked you why
You never said goodbye
It really got me thinking, it got me thinking 'bout the
future
Remembering the past and how I knew it would never
last

And all the time
You left me hanging on the line
I'm so sorry that I waste your time

Was it someone else
Or something 'bout myself
I tried to call you one night, I tried to call
But you were gone, so instead I wrote this song about
our disconnection

And all the time
You left me hanging on the line
I'm so sorry that I waste your time... Thanks anyway

Ooooh, la la la la la la la la laaa
Ooooh, la la la la la la la la laaa

And all the time
You left me hanging on the line
I'm so sorry that I waste your time... Thanks anyway
Thanks anyway

Sometimes I wonder what it would be like
If we had stayed together
But everything still comes out wrong

Still see you around
On the road, here in town
It really gets me thinking, gets me thinking bout the
day you left
Left me all alone, my hand still on the phone

And all the time
You left me hanging on the line
I'm so sorry that I waste your time
