Have all you are and all you're to be  
Fade in your world and all that you see  
This hole in the wall all is under your thumb  
Dulling your senses until you become

Until you become  
Oh yeah, I gotta run  
Oh I just got to run  
Caught in a world where  
You could never run too fast  
To finally reach  
Lord, The Beginning...At Last

Dismantling comfort of those you surround  
Placing joy upon strangers  
Now child, ain't that profound?  
This hole in the wall all is under your thumb  
Dulling your senses

Until you become, Until you become  
Mmm yeah, I gotta run  
Oh I just got to run  
Cought in this world where  
You could never run too fast  
To finally reach  
Lord, The Beginning...At Last

Where Are You Going?  
Never knowing  
Just who and where  
You gotta turn  
Forever caring  
Forever sharing  
You never learn, learn  
Lifetime of getting burned.  
Oh yeah, I gotta run  
Oh I just got to run  
Caught in a world where  
You could never run too fast  
To finally reach  
Lord, The Beginning...

...At Last
