Break Me Down And Roll Me Once Again  
Got No Time To Think Of Now And Then  
Catch My Breath, Pick Myself Up Off The Floor

One More Drink, A Nervous Breakdown And Then  
Another War  
Ohh You Can Never Get Too Low When You're So Damn  
High  
Ohh Been Out Rolling On The Blessed Hellride

Through The Lines, Ain't No In Betweens  
Gardens Of Filth, The Obscure And The Obscene  
Catch My Breath, Pick Myself Up Off The Floor

One More Drink, A Nervous Breakdown And Then  
Another War  
Ohh You Can Never Get Too Low When You're So Damn  
High  
Ohh Been Out Rolling On The Blessed Hellride

You Can Never Get Too Low When You're So Damn High  
On The Blessed Hellride

Ohh, They Will Not Break Me Down, Ohh  
Ohh, Ohh They Will Not Break Me Down, Yeah

Ohh You Can Never Get Too Low When You're So Damn  
High  
Ohh Been Out Rolling On the Blessed Hellride  
You Can Never Get Too Low When You're So Damn High  
On The Blessed Hellride
