I paved this road  
I broke myself in two  
This I know  
Up and down, In between  
There's nothing I haven't seen

All these scars which bear my name, yeah  
My eyes are wide, ain't nothing's the same, yeah  
I tried to run, but the damage is done, yeah  
The damage is done  
The damage is done

Where I've gone and where I've been  
One only knows  
One more mountain, one more mile  
I'll do as I'm told

All these scars which bear my name, yeah  
My eyes are wide, ain't nothing's the same, yeah  
I tried to run, but the damage is done, yeah  
The damage is done  
The damage is done

Oh yeah, oh yeah  
The damage is done  
Oh yeah, oh yeah  
The damage is done  
Oh yeah, oh yeah  
The damage is done  
Oh yeah, oh yeah  
The damage is done

All these scars which bear my name, yeah  
My eyes are wide, ain't nothing's the same, yeah  
I tried to run, but the damage is done, yeah  
The damage is done  
The damage is done

Oh yeah, oh yeah  
The damage is done  
Oh yeah, oh yeah  
The damage is done

Oh yeah, oh yeah  
The damage is done  
Oh yeah, oh yeah  
The damage is done  
Oh yeah, oh yeah  
The damage is done  
Oh yeah, oh yeah  
The damage is done  
Oh yeah, oh yeah
