I've been around this world
Yet I see no end

All shall fade to black
Again and again

This storm that's broken me
My only friend, yeah

In this river
All shall fade to black

In this river
Ain't no coming back

In this river
All shall fade to black

Ain't no coming back

Withdrawn, I step away
Just to find myself

The door is closed again
The only one left

This storm that's broken me
My only friend, yeah

In this river
All shall fade to black

In this river
Ain't no coming back

In this river
All shall fade to black
In this river
All shall fade to black

In this river
Ain't no coming back

In this river
All shall fade to black

Ain't no coming back

(Solo)

In this river
All shall fade to black

In this river
Ain't no coming back

In this river
All shall fade to black

In this river
All shall fade to black

In this river
Ain't no coming back

In this river
All shall fade to black

Ain't no coming back...
