"Love Reign Down"

All that you want, and all that you need
Don't bother asking, just come to me
I know I'll see you, I'll see you again
Just keep on talking, listen when you can

Love reign down on me
Love reign down on me
Love reign down on me
Love reign down on me
Oh, Down On Me

It's something you find, yeah, you'll never lose
A feeling so fine now, just thinking of you
Take your time son, take it slow
Sooner or later, you'll get where you gotta go

Love reign down on me
Love reign down on me
Love reign down on me
Love reign down on me
Oh, Down On Me

Looking back on the times we shared
Yeah, you and me
You held me up, you made me high
