Nothing's The Same

Lost again and all alone
Lost again for I should have known
So many storms, so many times I've died
Another goodbye

Crash and burn, refuse to learn
Your only friend inside the scars that never mend
This trip inside the dark
The neverending rain
Kill the past, nothings the same

All the faces that I once knew now are all gone
Days turn into years, rolling on
So many storms, so many times I've died
Another goodbye

Crash and burn, refuse to learn
Your only friend inside the scars that never mend
This trip inside the dark
The neverending rain
Kill the past, nothings the same

Crash and burn, refuse to learn
Your only friend inside the scars that never mend
This trip inside the dark
The neverending rain
Kill the past, nothings the same
