*featuring Tank

[Tank:]

Oooh oooh

[Zane:]

(I can never do too much)

Yea, um, I know I been gone for a minute but tonight,
I'm all yours

[Chorus - Tank:]

Girl tonight, I'm yours

Turnin' off my two-way

Turnin' off my phone

I'll tell my friends to leave so we can be alone

Clear my schedule up

Cause tonight I swear I'm all yours

(I can never do too much)

[Zane:]

Our whole relationship is based on trust

And for you I can never do too much

You, kept me secrets and held me down

Plus you, stayed loyal when I wasn't around

And I know it wasn't easy, I was never home

Concerts, videos, and you was all alone

We spent many talkin' on the phone

You started catchin attitudes

I heard it in yo tone

I used to tell I'll be back when I could

You think I'd leave my babygirl in the hood

I would never do such thing

I wanna show you what true love brings

Imma put you on a pedestal, love so incredible

Victoria Secret's candy thong so edible

Spiritual, mental, not just sexual

I'll deaden all my plans to get next to you

[Chorus]

[Zane:]

I made reservations at your favorite spot

Pull up, tip the valet at the parking lot
Got a table by the fireplace, candlelit
Tonight, we gone stick to the manuscript
Start it out with a bottle of Cris, followed by a kiss
I can taste your lip gloss on my lips
So, candy sweet with your bubble gum tongue
The type of stuff that keep a brother straight sprung
And I try to play the tough guy role
And hold back but I'm losing control
When it comes to you I can't explain how it feels
No more games baby, Zane is for real
You been askin' for quality time, now you got
