Spaced out
I'm a good little girl
I've the will of the world
And cool friends to help me out
When I am downtown
When I'm shoppin' around
With my boys and my glam
And more friends to help me out
When I am

Spaced out
I'm a bad little girl
I've been messin around
With your friends to help me out
When I am downtown
I'll be messin around
With the boys and the glam
With the boys and the glam

I will be free

So give it to my body
So give it to me
Give it to me
Give it to me

So give it to my body
(I will be free)
So give it to me
Give it to me

Spaced out I'm a bad little girl
Spaced out I'm a bad little girl
I'd give it to you
I'd give it to you

I will be free
So give it to my body
(Yeah)
So give it to me
Give it to me, yeah

Give it to me, yeah

Bad little girl!
Will of the world!
Yeah!

Bad little girl!
Messin around! messin around!
Yeah yeah yeah!
