I like boys with personality  
I like em better with lotsa money  
I like sexy boys from the navy  
And I wont mind playing tough on me

Hey boys  
(Boys I like boys I, I like)  
I want my boys  
(Boys I like boys I, I like)  
Give me some boys  
(Boys I like boys I, I like)  
Take a look at my boys  
(Boys I like boys I, I like)

I like boys with a hot tattoo  
I like boys with a hot tan too  
Work that tight tush like you do  
I've got the whole night long just to look at you

And the boys that I like  
They only like boys  
So boys that I like  
Come play with my toys

I like boys with a thing for machines  
I, I like boys when they turn eighteen  
I, I like boys with a little goatia  
But I wont have them prettier than me

Hey boys  
(Boys I like boys I, I like)  
I want my boys  
(Boys I like boys I, I like)  
Give me some boys  
(Boys I like boys I, I like)  
Take a look at my boys  
(Boys I like boys I, I like)
