They live in the superficial  
They don't know who I am  
They wanna take me for granted  
But they don't know what I glam

I, I, I, am what I glam  
Glam, glam, glam glam I am

I wanna live on a high  
Where they all know who I am  
Get drunk on absolutely nothing  
And party in amsterdam

Where I can be whatever I want  
And don't have to dress to impress anyone  
Check out the boys lookin so fine  
They don't yet know but they're already mine

Come on

Freaky funky hot  
Hotter hottest on the dancefloor  
Party party party on  
Dance all night til you break a bone

Music, magic, live it, tragic  
Satisfy, my love, fanatic  
I may be small but I can cause traffic  
And I don't even have to be erotic
