This Day is a very special day
This song is dedicated to each and everyone of you

Verse1

Everytime that you're around,
You make me feel so good inside. It's true to my soul,
oh yeah
Everytime that I'm away,
I can't wait to see your face again. Devoted to you, I am
Without you I'm so lost.
No Matter what you hear or say, my heart is yours and
that won't change at all.
I know you feel the same as I.
You're a butterfly with perfect wings and you're my
angel.

Chorus

My only wish was you.
It's too good to be true.
I'm waking up in paradise.
It's christmas time oh I've
Never been so alive.
Hold me in your arms tonight.
It's christmas time oh yeah.

Rap

You're the butterfly in my ride.
Makin' me feel fly.
And I'll never ever let you go, oh no no.
Baby you're my princess, you ain't no actress
Keeping up this love for show, fo fo

Verse2

The fireplace is burning bright.
Dim the lights and close your eyes and feel.
(Close your eyes for a sec)
The christmas joy is near
Without you I'm so lost.
No matter what you hear or say, my heart is yours and
that won't change at all.
I know you feel the same as I.

You're a butterfly with perfect wings and you're my angel.

Chorus

My only wish was you.
It's too good to be true.
I'm waking up in paradise.
It's christmas time oh I've
Never been so alive.
Hold me in your arms tonight.
It's christmas time oh yeah.

One true lover
One true lover
You're everything I like, and everything I love.
One true lover
One true lover
(You're evrything I like, and everything I love)
It's christmas time oh yeah.
The only way to know true love, you gotta believe it.
The time is now so show your heart, yeah.
I never wanna fall apart.
You're my one true shining star.
You're everything I ever want and need.

Chorus

My only wish was you.
It's too good to be true.
I'm waking up in paradise.
It's christmas time oh I've
Never been so alive.
Hold me in your arms tonight.
It's christmas time oh yeah.

One true lover
One true lover
You're everything I like and, everything I love
One true lover
One true lover
You're everything I like and, everything I love
One true lover
One true lover
You're everything I like and, everything I love
One true lover
One true lover
It's christmas time oh yeah.
