You never thought that it could ever end in a day
Thinkin' 'bout our fortune babe
Say it isn't so
You never thought that there were other plans
In the ways of seeking fortune like you never had it
Say it isn't so
It started looking like we'd never win anyway
Thinkin' 'bout our fortune babe
Say it isn't so

I say that someday that you will be mine

There always seems to be another man
In the ways of seeking fortune like we never had it

I pray that you'll change your mind.

Given the time
Think about the life that you made and what you used it
for
Ooh, think of it all
Think about that way that you took but never gave at all
Ooh, think of it all

I look at myself
Look at us all
Look at the things we did before
We did it before
We're children at heart
Children at heart

You never stopped to think and never planned
On the day they would be a callin' you
Say it isn't so
You used it up like it would never end
On a day when there was no more time for seeking
fortune
Say it isn't so
It started looking like we'd never win anyway
Thinkin' 'bout our fortune babe
Say it isn't so

I say that someday that you will be mine

Within the future lies another plan
In the ways of seeking fortune like we never had it

I pray that you'll change your mind

Given the time
