Drop the beat!

Two months gone to the day and you were on your way  
You said that there was nothing I could say  
But I got the drop on you  
I see what you do

I just want to say you run me through  
I don't want to let you leave  
I don't want to believe, that you lied and tried to  
deceive  
I'm not going to be alright without you

You are all I need!  
You are all I need!  
You are all I need!  
You are all I need!

If you're leaving take me with you, Yeah  
I don't wanna start something new, Yeah  
Life's a maze, I'm lost without you, Yeah, Yeah  
I don't wanna take another drink

I don't wanna think  
I just wanna watch you sink with me  
Tell me are you free?  
Now that you got yourself far away from me

And I feel, like I'm on the ground  
You're pulling me down  
When you're gone, I can't touch the ground  
Not gonna be alright without you

You are all I need!  
You are all I need!  
You are all I need!  
You are all I need!

I never saw the day  
I never saw the day  
I never saw the day  
I never saw the day

I never saw the day  
I never saw the day

Take a look back and one day you will see  
You were the one that was meant for me  
And all the bad seems to fade away with time  
When it's all in your mind

And one day when you're face down on the floor  
I won't be around anymore  
And I won't care then and I don't care then  
You walked out

You are all I need!  
You are all I need!  
You are all I need!  
You are all I need!

I never saw the day  
I never saw the day  
I never saw the day  
I never saw the day  
I never saw the day  
I never saw the day
