Hey kid here's a problem better deal with it  
Sit upon your throne like you don't give a shit  
No ones there to catch you if you fall  
Got your back against the wall

I got the rattlesnakes shakes  
Going out of my mind  
I think somebody cut my break line  
The clutch is in 5  
The latch has sprung a fucking leak  
As the submarine dives  
And everybody's got a nemesis  
I know that you're mine  
3, 2, 1  
Demon days counting down  
Hey!  
All for none when there is no one around  
Hey!  
3, 2, 1  
Scream the sirens sound  
Kill the king of arrogance  
Lies line your crown  
Hey!

Whoa oh whoa oh  
Time is running out on you  
Whoa oh whoa oh  
And there's nothing you can do  
Whoa oh whoa oh  
I hate to tell you but your days are numbered  
Time is running out on you

Hey kid see the problem better deal with it  
Here's a wake up call you'd better answer it  
I won't stick around to watch you fall  
Got your back against the wall

I got an end of days rate  
It's only 9.95  
I'm picking fights with my fate  
He says I won't stay alive

I see a mushroom cloud  
Open into the sky  
From down in the gallows  
To avenge and to rise  
3, 2, 1  
Demon days counting down  
Hey!  
All for none when there is no one around  
Hey!  
3, 2, 1  
Scream the siren's sound  
Kill the king of arrogances  
Lies line your crown  
Hey!
