[Verse 1]

C'mon light the fuse, he's a rocket and he's ready to go
'Cause now the countdown has started and he's ready
to blow

He's got the dope sounds pumpin in his stereo (-eo!)
Kickin' ass fast, puttin' on a show
C'mon and get yourself together, there's no time to
rest

And if you put the time in he'll put you to the test
He's like the runnin' man, in his world more is less
So if you wanna test him best bring your best
Don't make me spell it out, bring your best!

[Chorus]

In this world (His world!) Where life is strong
In this world (His world!) Life's an open book
In this world (His world!) Where compromise does not
exist

In his world of worlds, every step meets the rest!
In this world (His world!) Where one is all
In this world (His world!) Never fear the fall
In this world (His world!) Where compromise does not
exist
In his world of worlds, every step meets the rest!

[Verse 2]

Runnin' it back again, well what'dja expect?
Comin' out to win 10 out of 10, got a real rough neck
Slides up-it's slippery- straps on his shoes
'Cause he's the best there ever was, haven't you heard
the news?

Intergalactic continental champ, running things
Hyperactive instrumental and pulling strings
He's just the one who understands when the tides will
swing

So he's breaking down doors, never following
C'mon and psyche yourself up, 'cause it's time to play
Bounce to the beats and the rhymes 'cause they're
here to stay

The one and only never bored man, livin' the day

Movin' up, comin' fast, and he'll blow you away

Because the pressures of this world, they can take their
toll
And it's tough to get away when they take their hold
The only way to break free is to break the mold
You can't stop now, lock n' load
Don't stop now, c'mon, rock n' roll!

[Chorus]

In this world (His world!) (Gotta make your own way!)
Where life is strong
In this world (His world!) (Life is just a game you play!)
Life's an open book
In this world (His world!) (Nothin's forever here to
stay!) Where compromise does not exist
In his world of worlds, every step meets the rest!
In this world (His world!) (Gotta make your own way!)
Where one is all
In this world (His world!) (Life is just a game you play!)
Never fear the fall
In this world (His world!) (Nothin's forever here to
stay!) Where compromise does not exist
In his world of worlds, every step meets the rest!

[Bridge]

Light the fuse on his rocket and he's ready to go
'Cause now the countdown has started and he's ready
to blow (to blow... to blow...)
(In his world...! where one is all!)
Intergalactic continental champ, running things
Hyperactive instrumental with pulling strings
(In his world...! Never fear the fall!)

[Ending]

(In his world...!) The only way to break free is to break
the mold
You can't stop now, rock and roll
(His world...!) I said you can't stop now, rock and roll
(His world...!!!) Don't stop now, c'mon and rock and
roll!
