I won't be there, I won't do anything  
No I won't, I won't be there to catch you if you fall  
I won't be there, I won't do anything  
No I won't, I won't be there to catch you  
God I wish I'd never met you

You're a cheap thrill, weak will, trippin' to bikini kill  
A glass home of chloroform vaporized in the storm  
Oh, oh, the junkie and the halo  
Oh, oh, the junkie and the halo

You're so burned out no doubt crawling as your falling  
out  
Glycerin blistering got you underneath my skin  
Oh, oh, the junkie and the halo  
Oh, oh, the junkie and the halo

I, I won't do anything, no I won't be there to save you  
And I won't be there to catch you when you fall  
I won't do anything so build up the walls around you  
I'll be leaving you where I found you

You're the fun one always spun, baggage weighs about  
a ton  
A strung out tongue on my empty lung  
Oh, oh, the junkie and the halo  
Oh, oh, the junkie and the halo

The last stop before the pop as you bottom from the  
top  
A safety net made of thread to stop your drop  
Oh, oh, the junkie and the halo  
Oh, oh, the junkie and the halo

I, I won't do anything, no I won't be there to save you  
And I won't be there to catch you when you fall  
I won't do anything, so build up the walls around you  
I'll be leaving you where I found you

I won't be there, I won't do anything  
No I won't, I won't be there to catch you if you fall

Shooting out in the middle of a canon of metal  
I'll give you a hand out and or a call while you try to  
stay level  
It's like the minute that you fall punks howl at the devil  
And I hope ya realize you're a cliché and not a rebel  
Seep in your chemicals in your brain, I won't be waiting  
for you, you

I, I won't do anything, no I won't be there to save you  
And I won't be there to catch you when you fall  
I won't do anything, so build up the walls around you  
I'll be leaving you where I found you

I won't do anything  
The junkie and the halo  
I won't do anything  
The junkie and the halo  
I won't do anything, no, no  
I won't do anything
