Can't deal with what I feel for my jeep and I steal

Pants all saggin' and I look like a picture?

Got no ? just a regular ?

I got no...job but i still survive

steal a couple dollars just to get me high

Needle in my arm so I could fly

Don't care bout life but i don't wanna die

YEA!

ONE MORE HIT!

ONE MORE HIT!

ONE MORE HIIIT!!!

[2nd verse missing . . . should be coming soon]
