?? done before

Like our lives have been mapped from shore to shore
And then by one by one, bring death to bore
Makes you wanna break out, kick down the door, so
come on

Rise up! Rise up! Rise up!
Gotta rise up to tear it down tonight
Rise up! Rise up! Rise up!
Don't sit back and watch your life passing by

(Chorus)

??Mayday, with all the reasons allowed,
??Maybe, we're all about it

Right now (Now!)
Lights out to tear it down (Down!)
Just stop to look around (Around!)
Life couldn't fear our
Boredom is our only fear right now
(Now!)

Lights out to tear it down (Down!)
Just stop to look around (Around!)
Life couldn't fear our
Boredom is our only fear right now

I never wanna grow old, I never wanna die
??And never have a chance to always wanna walk
Is it sin to ??

??And I turn to you, do u wanna walk with me? so come
on

Rise up! Rise up! Rise up!
Gotta rise up to tear it down tonight
Rise up! Rise up! Rise up!
Don't sit back and watch your life passing by

(Chorus)

Boredom never lies
(Rise up! Rise up! Rise up!)
??
(Rise up! Rise up! Rise up!)
??

(Rise up! Rise up! Rise up!)
??
Gotta rise up to tear it down tonight
Yeah, yeah, yeah, yeah

(Chorus)
