Turn the TV off, turn me on
Disbelief, confidence is gone
You can take all this from me
Stands my integrity now

I'm so sick of mother fuckers
Crooked wars that they wage
Should I sit and count seconds
Till we're all blown away?

Sex, tyrants, violence
On the news everyday
Ignorance turned anger into hate
Turn away

Strength in diversity, unity and evolution
Strength in diversity, unity and evolution
Strength in diversity, unity and evolution
Strength in diversity, unity and revolution

Now you're gone, you're gone
You're gone and it's forever
Nothing is the same

Right to right to wrong
To wrong, we'll come together
Time to make a change

Turn the TV off, turn me on
Disbelief, confidence is gone
You can take all this from me
Stands my integrity now

And these wars that we wage
Why an eye for an eye
So I lock, load, engage
Casualty, high supply

We'll be missing all our friends
Who die to get us by
Courage facing fear
Hate increase decline

Strength in diversity, unity and evolution
Strength in diversity, unity and evolution
Strength in diversity, unity and evolution
Strength in diversity, unity, revolution

Now you're gone, you're gone
You're gone and it's forever
Nothing is the same

Right to right to wrong
To wrong, we'll come together
Time to make a change

Strength in diversity, unity and evolution
Strength in diversity, unity and evolution
Strength in diversity, unity and evolution
Strength in diversity, unity, revolution

Turn the TV off, turn me on
Disbelief, confidence is gone
If you take all of this from me
Then all of you can come together

Now you're gone, you're gone
You're gone and it's forever
Nothing is the same

Right to right to wrong
To wrong, we'll come together
Time to make a change

Turn the TV off, turn me on
Disbelief, confidence is gone
You take all of this from me
Stands my integrity
