Hello night  
so dark and lonely

what's your offer for my pain?  
Am I still a loser's pay-roll with no game?

Bring back - Sha nana nana na nana

Bring back - Sha nana nana na nana

Bring back  
bring my yesterday angel

She's the one for me  
she is the apple of my eye.

Bring back - Sha nana nana na nana

Bring back - Sha nana nana na nana

Bring back  
bring my yesterday lover

She's my destiny  
I am so down that I could die.

My butterfly  
I'm down  
I'm so down and I cry

Oh  
I treat her so nice every day  
every night  
every moment.  
My butterfly

could it be that your heart's made of stone or steel?  
Can she imagine how I feel?

Hello night

so dark and lonely  
what' s your offer for my pain?  
Am I still a loser's pay-roll with no game?

My butterfly  
still it burns in my heart and my soul

And I would stumble and fall 'cause I'm losing the door

I'm so lonely.  
My butterfly  
shels flying away and she went to Rome

I'm full of hope she will return.
