You gotta come back
brown eye
gotta come back

come hear me cry.
Gotta come back
brown eye
why do you make me cry?

Hey
I can see it in your eyes

I can see it in your smile: you want love
babe

You need it so badly and I need it
too.
Hey
I can feel it from your heart

and I knew it from the start:
You want love
babe
let's do it just even for a night.

And when you kiss me I can feel the heaven on earth

And when you touch me I can dream.

Maria

oh
I feel so good when you are by my side.

Hey
I can see it in your eyes

...

You gotta come back
brown eye

gotta come back

come hear me cry.

Gotta come back

brown eye

why do you make me cry?

And when you hold me I can fly above to the sky

And whisper words of love so sweet.
