A good way
There are some things which keep on bothering me
But I just can't stop it
I'm too young and I cannot bow on my knee
And I just got to say

[Chorus]
I wanna live my life
Sometimes my own way
Some people always get involved
They spoil it, destroys it and kills it again
But one beautiful day I will live my life
In a good way

They will realise what they're doing wrong
Your bigger brother or sister always get what they want
I don't know if they hate you
Or have a comparism
But I just got to say

[Chorus]
I wanna live my life sometimes my own way
Some people always get involved
They spoils it, destroys it and kills it again
But one beautiful day I will live my life
In a good way.

They will see
They will see
That I will live my life
In a good way
A good way (3x)
