When I need your help
Show me the way to come to you
Don't leave me hanging
All I want is to come closer

A little closer to you lord
That's where I get my reward
The thought of you
Makes me new
Just bring me closer
A little closer to you

All alone makes me fee
Lonely in the beautiful night
Your love your help your strength
All I want is to come closer

[Chorus]

Lord show me the way
Lord help me this day
Lord lead me through
All I want is to come closer-r-r...
