[Verse 1:]

Don't let no small frustration
Come and bring you down (no,no,no)
Just take a situation
He'll turn it all around
With a new attitude
Anything can change
Make it how you want it to be
Stay sad why do that
Give yourself a break
Trust God and you'll see

[Chorus]

Everything changes once God is around
He'll change the bad things into good (into good) (Yeah
Yeah Yeah)
Seek him he loves you that's why he gave his life
For you for me
Everything changes with God

[Verse 2:]

Why be so broken hearted
You'll make it through
With God you'll be comforted
Yes you you you
With a new attitude everything can change
Make it how you want it to be
Stay sad why do that give yourself a break
Trust God and you'll be free

[Chorus]

Everything changes once God is around
He'll change the bad things into good (into good) Yeah
Yeah Yeah
Seek him he loves you
That's why he gave his life
For you for me
Everything changes with God

[Verse 3:]

Everyday and night
Your mind is tight

The devil is troubling you
Rebuke him
Submit yourselves unto God
Everyone

[Chorus]
Everything changes
Once God is around
He'll change the bad things into good (into good) yeah
yeah yeah
Seek him he loves you
That's why he gave his life
For you for me
Everything changes with God
