Verse 1

Remembering the day that you placed me on this earth
With a life unexpected, you deserve all my praises
Take a look at me now, at me now, who I am
Lord your mercy kept me, Cause of you I survived

My love to you I give
My love in it's richest state
It belongs to you, It belongs to you
You're beautiful than much silver
You're finer than much gold
Oh how I love you
Yeah I love you

Chorus

If I were to go without saying thank you
I'd be ungrateful
Lord I'm grateful
If I did not say all the things you mean to me
I'd be ungrateful
Lord I'm grateful

Verse 2

You're so loving, so caring
Jesus you're so amazing
I don't know, what I'd do, without your love
You took me out from my situations
You're my bodyguard, security
To you I'd always bend my knee

My love to you I give
My love in it's richest state
It belongs to you, It belongs to you
You're beautiful than much silver
You're finer than much gold
Oh how I love you
Yeah I love you

Chorus

If I were to go without saying thank you
I'd be ungrateful

Lord I'm grateful
If I did not say all the things you mean to me
I'd be ungrateful
Lord I'm grateful

Bridge
I'm grateful for your love
I'm reminiscent of
Your Mercy, your mercy

I'm grateful for your love
I'm reminiscent of
Your mercy, Yeah

Chorus
If I were to go without saying thank you
I'd be ungrateful
Lord I'm grateful
If I did not say all the things you mean to me
I'd be ungrateful
Lord I'm grateful
If I were to go without saying thank you
I'd be ungrateful
Lord I'm grateful
If I did not say all the things you mean to me
I'd be ungrateful
Lord I'm grateful

I love you (4x)
I'm grateful(4x)
I'm grateful to you
I'm grateful to you
